Policies & Procedures Guide

9

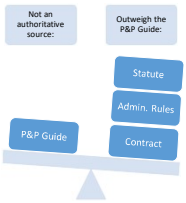
Main Sources of CPRIT Requirements

	Constitution	CPRIT's statute	CPRIT's Administrative Rules	Grant Contract	Policies & Procedures Guide
Source	Article III, Section 67 Texas Constitution (link)	Texas Health & Safety Code Chapter 102 (link)	Texas Administrative Code Chapters 701-703 (link)	Contract	P&P Guide (link)
Entity	Texas Legislature & voters	Texas Legislature	CPRIT	CPRIT	CPRIT
General frequency of changes	2007 (creation), 2019 (amendment)	Any changes must be done during a legislative session (every 2 years)	Quarterly	Periodic	Periodic

10

P&P Guide VS. Other Requirements

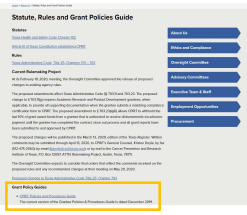
- If a conflict exists between a policy described in the P&P Guide and a state regulation, administrative rule, or contract provision, then the provisions of the applicable state regulation, administrative rule, or contract provision prevail.
- CPRIT relies on the Uniform Grant Management Standards (UGMS) when none of the above-mentioned sources provide answers.



11

Where to find the latest P&P Guide

1. Go to https://cprit.texas.gov/
2. Click on "About Us" in the top header
3. Click on the "Statute, Rules, and Grant Policies Guide" tab on the right-hand side of the page
4. Scroll down to Grant Policy Guides section and click on "CPRIT Policies and Procedures Guide"



12

Locating P&P Guide Updates

- Refer to the Version Control section at the beginning of the document.
- The Version Control section outlines which sections within the P&P Guide received updates from the previous edition.

13

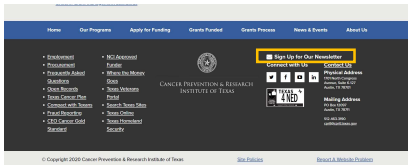
How to Use the P&P Guide

- Each chapter is broken up into sections with descriptive headings. For the most part, the P&P Guide is organized in a chronological order to follow the life of a grant from application to close out.
- To find specific terms within the P&P Guide:
  - Use "Ctrl + F" on a PC
  - Use "Command + F" on a Mac

14

Receive Notification of Updates

Subscribe to CPRIT's listserv (if you don't already receive CPRIT emails) by clicking on "Sign Up for Our Newsletter" in the footer of the CPRIT website.



15

Administrative Rules

16

Rulemaking Process & Importance

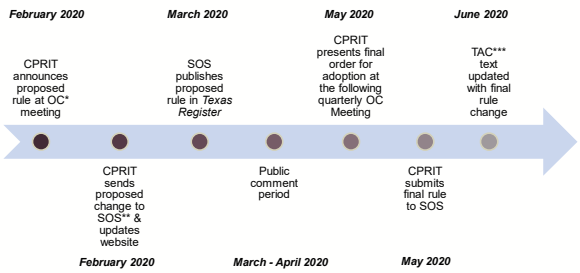
- Since CPRIT is a state agency, it must follow the specific requirements of the Administrative Procedure Act (Tex. Gov't Code Chapter 2001) when the agency proposes either new rules or changes to existing rules.
- Many grantee requirements are found in CPRIT's administrative rules, which is why it's important for grantees to be familiar with the rulemaking process.

Cancer Prevention & Research Institute of Texas

17

17

Overview of Rulemaking Timeline



*OC: Oversight Committee
**SOS: Texas Secretary of State
***TAC: Texas Administrative Code

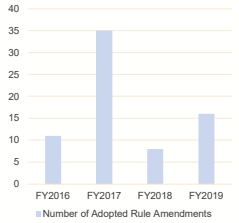
Cancer Prevention & Research Institute of Texas

18

18

Rule Amendments by the Numbers

- During FY2016 – FY2019, CPRIT adopted **70** rule amendments (an average of 17.5 rule changes approved by the Oversight Committee per fiscal year).
- Most of these changes related to grantees.

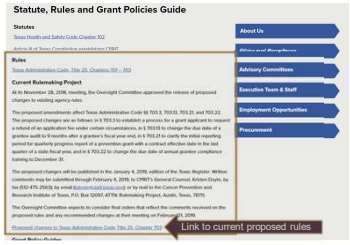


Cancer Prevention & Research Institute of Texas

19

19

Where to find CPRIT's Administrative Rules



1. Go to https://cprit.texas.gov/
2. Click on "About Us" in the top header
3. Click on the "Statute, Rules, and Grant Policies Guide" tab on the right-hand side of the page

Cancer Prevention & Research Institute of Texas

21

Recent Administrative Rule Changes

1. Grantee Budget Change/Transfer Request*
2. No Cost Extension Request
3. Matching Funds Supporting Documentation
4. Advance Funds Disbursements

*Proposed at the Aug. 19, 2020 Oversight Committee meeting

Cancer Prevention & Research Institute of Texas

22

22

1. Grantee Budget Change/Transfer Request

- Requires that a grant recipient receive approval from CPRIT for all budget changes or transfers.
- Grantee budget change/transfer requests would still be submitted through CPRIT's Grant Management System (CGMS).
- This amendment will be considered for adoption at the November 18 Oversight Committee meeting.
- TAC § 703.25(e)

Cancer Prevention & Research Institute of Texas

23

23

2. No Cost Extension Request

- Allows CPRIT to review a no cost extension request by a grantee with a pending report that has been submitted to but not yet approved by CPRIT.
- In general, a grantee must be in good fiscal and programmatic standing to receive a no cost extension. To be in good fiscal and programmatic standing, all currently due grant reports must be submitted to and approved by CPRIT.
- A grantee must provide justification explaining why they should receive a no cost extension, even though the grantee has reports pending approval.
- CPRIT will review the justification and either approve or deny the no cost extension request.
- TAC § 703.14(c)

Cancer Prevention & Research Institute of Texas

24

24

3. Matching Funds Supporting Documentation

- A grantee that is required to expend matching funds must submit complete supporting documentation with the annual matching compliance certification form in CGMS.
- CPRIT will not review or approve a grantee's matching compliance certification form until all the supporting documentation is uploaded to CGMS.
- TAC § 703.11(g)

Cancer Prevention & Research Institute of Texas

25

25

4. Advance Funds Disbursements

- CPRIT will withhold the last 10% of the grant award from a grantee who receives advance funds until all contract closeout requirements have been completed and the final reports have been submitted and approved.
- A grantee may request that CPRIT withhold less than 10% of the grant award.
- TAC § 703.23(a)(6)

Cancer Prevention & Research Institute of Texas

26

26

Administrative Rule Changes

Q & A

Cancer Prevention & Research Institute of Texas

27

27

Financial Status Reports (FSR)

28

FSRs – Findings & Errors

- No Justification for expenses paid in prior period that are included on current FSR
- When amounts on an invoice do not match the amount shown on the ledger, remember to indicate clearly on the invoice the amount(s) requested and which item(s) it is for.
- Reminder that we need to know which items we are reimbursing when there are multiple items on the same invoice and the grantee is only requesting part of the total invoice amount

29

FSRs – Findings & Errors

- Unreadable receipts (especially travel)
- Mis-categorization of expenses - especially "Contractual" versus "Other"
- Unallowable expenses: Fees for professional memberships
- If a report or FSR is disapproved, please act on the request and resubmit as soon as possible so that the report or FSR can be approved in a timely manner - new form doesn't populate until the current one is approved, etc.

30

FSRs – Findings & Errors

- Submitting ledgers with a lump sum on an item…finding, after reviewing the backup that the amount is the sum of five different invoices
- Foreign currency exchange rate sheets per the day of purchase (or inclusion of credit card statements showing rate of exchange)
- Re-emphasize the importance of timeliness, especially with FSRs around the deferral process
- Frequently documentation is not readable because of how it is scanned

Cancer Prevention & Research Institute of Texas

31

31

FSRs - Allowable Costs

Costs should be:

Reasonable - Section *9.4.1*

Allocable - Section *9.4.2*

Adequately documented - Section *9.4.6*

Note: CPRIT is responsible for making the final determination regarding whether an expense is an allowable expense

P&P Guide Reference:
9.4 Determining if a Cost is Allowable

Cancer Prevention & Research Institute of Texas

32

32

FSRs - Unallowable Costs

Examples (not an exhaustive list)

- Individual Professional Membership fees
- Alcohol
- Tips & Gratuities
- Bad debt
- Lobbying costs
- Entertainment
- When in doubt, contact your CPRIT Grant Accountant for guidance

P&P Guide Reference:
9.5 Limitation on Cost Recovery

Cancer Prevention & Research Institute of Texas

33

33

FSRs - Reporting

- No disbursement of grants funds will be made until all required financial and programmatic reports are **approved**
- If errors are made and adequate information is not provided, report will be disapproved and sent back for rework
- Allow enough time for ASO approval and submission **before** deadline

Cancer Prevention & Research Institute of Texas

34

34

FSRs - Support Documentation

- Should be in same order as amounts listed on the expenditure report
- Should include payment dates for all transactions
- Should include the following:
  - expense categories
  - itemized expenses and invoices by category
  - description of items
  - date paid
  - amount paid
  - expense totals by category

Cancer Prevention & Research Institute of Texas

35

35

FSRs - Support Documentation

- Uploaded **at the same time** FSR is submitted
- Include summary report of expenses (General Ledger)
- Supporting documentation must be maintained on-site

Cancer Prevention & Research Institute of Texas

36

36

FSRs - Support Documentation

Ledger Amount	Total Invoice Amount	Line Item Expenses	Description	For CPRIT Reimbursement
$3700	$5000	$1200	Item 1	$1200
	-	$1300	Item 2	-
	-	$2500	Item 3	$2500
Total				$3700

Identify line item expenses for reimbursement when invoices contain multiple items. The expense totals on the FSR should match the expense found in the support documentation and the ledger

Cancer Prevention & Research Institute of Texas

37

37

FSRs - Reporting Basics

CPRIT requires grantees to use cash basis accounting when reporting expenses to be reimbursed

Cancer Prevention & Research Institute of Texas

38

38

FSRs - Support Documentation

- Report only expenses **paid** during the current reporting period
  - Request for reimbursement for expenses outside of the period (OTP) should include a request and justification with the FSR
  - Payroll is an **exception** to this requirement

Cancer Prevention & Research Institute of Texas

39

39

FSRs - Contractual

Contractual Travel Costs	Required Support Documentation
Airfare	Itemized Amount
Mileage	Itemized Amount
Hotel	Itemized Amount
Meals	Receipts
Taxi/Uber	Receipts

40

Financial Status Reports

Q & A

41

FSR Travel & Support Documentation

42

FSRs - Travel / Findings & Errors

- Non-itemized meal receipts
- Lack of GSA per diem rates for applicable travel expenses
- Lack of conference/seminar information that an employee is attending, i.e. actual conference dates, location without acronyms
- Failure to include of hotel folio
- Lack of invoices related to travel (meals & taxi/Uber)
- Receipts need to be legible. Unallowed expenses need to be deducted

Cancer Prevention & Research Institute of Texas

43

43

FSRs - Travel / Findings & Errors

- Grantees should review the travel support thoroughly for accuracy before submitting and have all support behind the travel voucher that it goes with
- Unallowed costs, illegible receipts, and calculations penciled in with no explanation provided
- Ensure that a complete and accurate expense report is included for all travel expenses including purpose of the trip
- Ensure that the itemized meal receipts are legible and identify the name of the employee claiming the meal

Cancer Prevention & Research Institute of Texas

44

44

FSRs - Travel / Findings & Errors

- International travel prior approval: Change Not Otherwise Specified (CNOS) must include travel dates, travel destination, estimated costs, purpose of travel and the relation of the trip and the traveler to the award scope of work
- Issues with multiple meals on one receipt
- Lack of invoices related to travel (meals & taxi/Uber)
- Receipts need to be legible. Unallowed expenses need to be deducted
- Include printout of GSA rates for meals and lodging in FSR support docs

Cancer Prevention & Research Institute of Texas

45

45

FSRs - Travel / Findings & Errors

- Level of Effort: Maintaining level of effort for PI/Co-PI as approved by SRC/OC to ensure adequate leadership of projects. Strong justifications for decrease will be reviewed along with CPRIT request to reduce the overall budget in ratio to % reduction
- Missing travel expense reports / purpose of travel
- PLOE needs to be accurate for each employee on the grant
- PLOEs need to be updated when FSR is submitted, not after-the-fact
- PLOE for either 0% effort or missing names from payroll and/or travel

Cancer Prevention & Research Institute of Texas

46

46

FSRs - Travel / Findings & Errors

- PLOE: Importance of maintaining a current list of personnel working on projects in CGMS throughout the life cycle of an award
- Leaving employees off the PLOE or submitting PLOE with employees who are on the payroll, with zero percent level of effort
- PLOE change requests are sometimes incomplete – you must complete all the components:
  - type of appointment
  - number of months
  - % effort
  - justification for the change

Cancer Prevention & Research Institute of Texas

47

47

FSRs - Travel

- A separate travel expense report should be submitted with all supporting documentation for each trip taken
- Travel expense reports **must** be approved by the employee's supervisor

Cancer Prevention & Research Institute of Texas

48

48

FSRs - Travel

Expense Report Components

1. Grantee Name
2. Name of person traveling
3. Date(s) of travel
4. Purpose of the travel
5. Itemization of expenses
6. Proof of payment

P&P Guide Reference:
10.4.3.1 Travel Expense Reports

Cancer Prevention & Research Institute of Texas

49

49

FSRs - Travel

Unallowable Travel Expenses

- Alcohol or gratuities
- Airfare costs that exceed coach class
- Foreign travel without prior CPRIT approval
- Travel outside of the grant contract effective dates
- Employee traveling not listed on Personnel Level of Effort (PLOE)
- Dates of travel occur outside of the employee's PLOE period (Travel Only Exception)

P&P Guide Reference:
10.4.3.2 Meal Expenses
10.4.1 Allowable Travel Costs

Cancer Prevention & Research Institute of Texas

50

50

FSRs - Travel

- Travel incidentals, meals, and lodging – identify which specific supporting documents/amounts are included in each individual amount
- International travel requires prior approval
- If splitting with another funding source, show breakdown of CPRIT portion
- Provide itemized receipts for items paid for by credit card for receipt that shows lump sum receipts
- Meal and lodging expenses incurred more than one night before state business begins are not reimbursable unless traveling to the duty point reasonably requires more than one day or the expenses are incurred to qualify for a discount airfare.

Cancer Prevention & Research Institute of Texas

51

51

FSRs - Travel

Things to Remember

- Meal and/or credit card receipts should be legible
- Unallowable expenses need to be deducted from total

Cancer Prevention & Research Institute of Texas

52

52

FSRs - Travel

Please Remember

- Only one meal per receipt
- Update PLOE to cover personnel and dates of travel
- Make sure receipt totals tie to expense report total

Cancer Prevention & Research Institute of Texas

53

53

FSRs - Travel

- Employee must be listed on the Personnel Level of Effort (PLOE) form
- Grant funds can only be used to reimburse up to the amount of the GSA per diem rate
- An expense report should include an attachment of GSA rate printout for the travel location(s)

Cancer Prevention & Research Institute of Texas

54

54

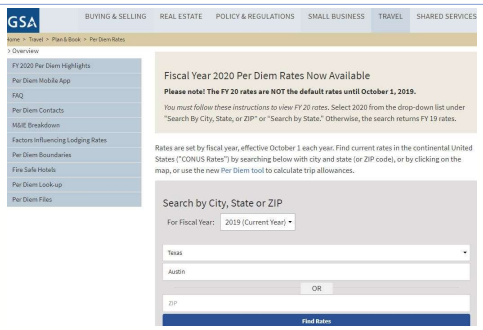
FSRs - Travel

- CPRIT follows TexTravel guidelines for reimbursement of travel: https://fmx.cpa.texas.gov/fmx/travel/textravel/index.php

Cancer Prevention & Research Institute of Texas

55

FSRs - Travel

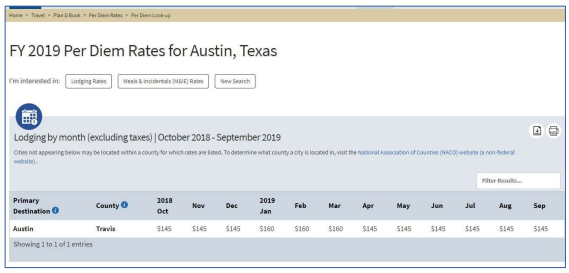


Cancer Prevention & Research Institute of Texas

56

56

FSRs - Travel



Primary Destination	County	2018 Oct	Nov	Dec	2019 Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep
Austin	Travis	$145	$145	$145	$160	$160	$160	$145	$145	$145	$145	$145	$145

Cancer Prevention & Research Institute of Texas

57

57

FSRs - Travel

- Grantees utilizing a central travel department may provide the transactional document for airfare purchases as proof of expense (must be accompanied by an expense report)
- If per diem for meals is requested on the travel authorization, meal receipts are not required

58

FSRs - Travel

- An individual may claim less than the maximum meal reimbursement rate for a duty point and use the amount of the reduction to increase the maximum lodging reimbursement rate for the duty point (per day)
- **This should be noted on the expense report**

	11/13/2018
Allowable M&IE per GSA Website	$ 61.00
Meal	$ (21.60)
Meal Per Diem Remaining	$ 39.40
Allowable Lodging Per GSA Website	$ 145.00
Meal Per Diem Remaining	$ 39.40
Allowable Room Per Diem	$ 184.40

59

FSRs – Foreign Currency

- Grant Recipients should submit requests for reimbursement in United States dollar amounts
- If the original cost is in a foreign currency, the Grant Recipient must convert the cost to a dollar amount and provide documentation of the exchange rate used for the conversion.

€ = $

60

FSRs - Travel

Q & A

Cancer Prevention & Research Institute of Texas

61

61

Financial Status Reports – Personnel / Fringe

Cancer Prevention & Research Institute of Texas

62

62

FSRs-Personnel/Fringe

Findings & Errors

- Missing timesheets
- Missing certification of time
- Missing payroll ledger
- Tuition payments - employee is not listed on Personnel Level of Effort (PLOE)
- PLOE not valid for current reporting period
- Missing breakdown of types of fringe

Cancer Prevention & Research Institute of Texas

63

63

FSRs-Personnel/Fringe

Timesheets / Records of Actual Time Worked

- Time sheets or other records of actual hours worked **must**:
  - Reflect an after-the-fact distribution of the actual time spent on each activity

P&P Guide Reference:
10.2 Personnel Expense Category

Cancer Prevention & Research Institute of Texas

64

64

Personnel Level of Effort (PLOE)

Cancer Prevention & Research Institute of Texas

65

65

PLOE

- For salary expenses show the position name, title, and level of effort on the PLOE **prior** to submitting for payment
- **Keep PLOEs current** (if end date prior to FSR period, submit new PLOE with FSR)
- Update PLOEs prior to submission of the FSR

Cancer Prevention & Research Institute of Texas

66

66

PLOE

Enter information for all 3 categories

Budget Summary | Details Year 1 | Details Year 2 | Personnel Level of Effort | Financial Status Reports | Payments | Other Financial Reports

Personnel Level of Effort

Senior/Key Person and Other Personnel			Level of Effort (LOE)	Year 1	Year 2	Total Person Months Per Person
First Name	Last Name	Role on Project				
		Co-investigator	Type Appt. (months)	12	12	
			Effort on Project	0.00%	2.00%	
			Person Months	0.00	0.24	0.24
		PIPD/CR	Type Appt. (months)	12	12	
			Effort on Project	10.00%	10.00%	
			Person Months	1.20	1.20	2.40
		Senior Research Assistant	Type Appt. (months)	12	12	
			Effort on Project	50.00%	50.00%	
			Person Months	6.00	6.00	12.00
			Total Person Months Per Year	7.20	7.44	14.64

Cancer Prevention & Research Institute of Texas

67

67

PLOE

When grant moves to closeout status from active status (equivalent to the contract end date), the PLOE **cannot** be revised in CARS-CGMS, and any expenses related to personnel not listed on the PLOE **will not be reimbursed**

Cancer Prevention & Research Institute of Texas

68

68

Personnel Level of Effort Form

Q & A

Cancer Prevention & Research Institute of Texas

69

69

No Cost Extensions (NCE)

70

NCE

- No Cost Extensions- Decisions regarding NCE are based on several factors including the documentation of progress and documentation that the work proposed for the NCE is consistent with the initial award.
- CPRIT will not approve a NCE without a PI level of effort appropriate to scope of work being conducted
- If you receive a no-cost extension, you must complete a PLOE for the extension time period.
- For NCE's, the final report date changes but an additional annual report is required as well as quarterly reports until the end of the contract

71

NCE

- **No Cost Extensions**
  - Include time, process and justification requirements
  - PI needs to have measurable level of effort during an approved NCE
  - In order to receive a no cost extension, a grantee must be in good fiscal and programmatic standing
  - No automatic approval of a grantee's first no cost extension request

  - Must be submitted at least **30 days prior** to contract termination but not more than 180 days prior

72

NCE

For No Cost Extensions (NCEs) the **PLOE comes in as a zero by default** – make sure PLOEs are current and accurate for NCEs

73

NCE

Other Personnel	Level of Effort (LOE)	Year 1	Year 2	Year 3	Year 4	Total Person Months Per Person
Role on Project
