

CANCER PREVENTION & RESEARCH  
INSTITUTE OF TEXAS

**REAL MOMENTUM**  **MEASURABLE RESULTS**

**T**he Cancer Prevention & Research Institute of Texas was created in 2007 when Texans voted to invest \$3 billion in a historic fight against cancer. Texas voters continued their support in 2019, when they overwhelmingly approved a constitutional amendment to provide an additional \$3 billion, making CPRIT a \$6 billion, 20-year initiative.

CPRIT awards grants for a wide variety of innovative cancer-related research, prevention and product development projects. **Metroplex-area benefits include:**

**Investing in the research capabilities of Metroplex-area research entities**

- ▶ \$586 million in grants awarded to 6 Metroplex-area research entities
- ▶ 97 stellar researchers and their labs recruited to Metroplex-area research entities
- ▶ \$669 million in direct follow-on funding raised by Metroplex-area CPRIT grantees
- ▶ UT Southwestern Medical Center achieved NCI comprehensive cancer center status
- ▶ 10 CPRIT core facility awards and renewals in the Metroplex area to provide access to cutting-edge shared technology through specialized instrumentation and technical expertise

**Expand life science infrastructure by attracting companies to the Metroplex & creating high-quality jobs**

- ▶ 8 companies started, expanded, or brought to the Metroplex with CPRIT investment totaling \$82.6 million
- ▶ 8 CPRIT-funded companies have established connections to Metroplex-area academic institutions
- ▶ \$49.4 million annual state and local tax collections
- ▶ \$1.21 billion total expenditures generated by CPRIT activities statewide in 2022
- ▶ \$2.1 billion direct follow-on funding raised by CPRIT companies in the Metroplex
- ▶ Over 7,840 permanent jobs created in 2022 in Texas

**Expedite innovation breakthroughs in prevention and cures**

- ▶ 4,026 patients in 35 clinical trials or studies in the Metroplex
- ▶ \$341 million in grants awarded for 282 prevention projects in all 254 Texas counties
- ▶ 31,850 cancer precursors and 4,881 cancers detected in Texas
- ▶ Nationally recognized teams and centers in immunotherapy and childhood cancers in Texas
- ▶ 12 percent of CPRIT's portfolio goes to childhood cancer projects - proportionately 3 times more than national commitment

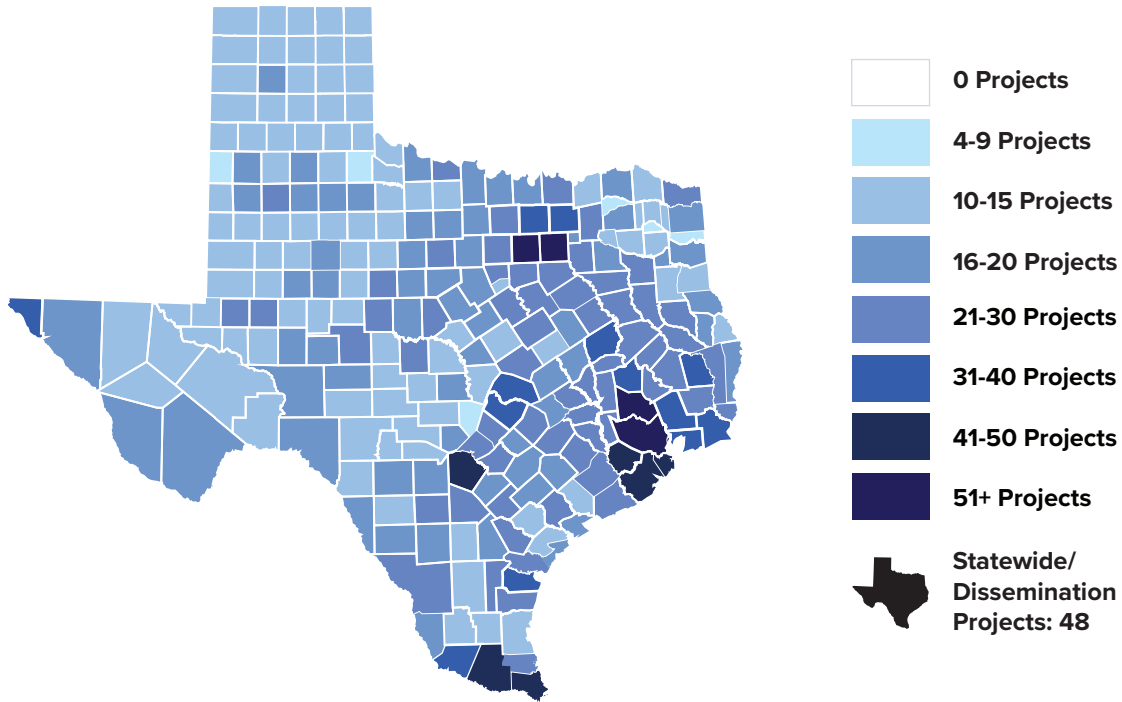

**Follow-on Funding Success**

CPRIT-funded academic research grantees and companies in the Metroplex raised \$2.73 billion in follow-on funds, exceeding contracted awards by \$2.06 billion

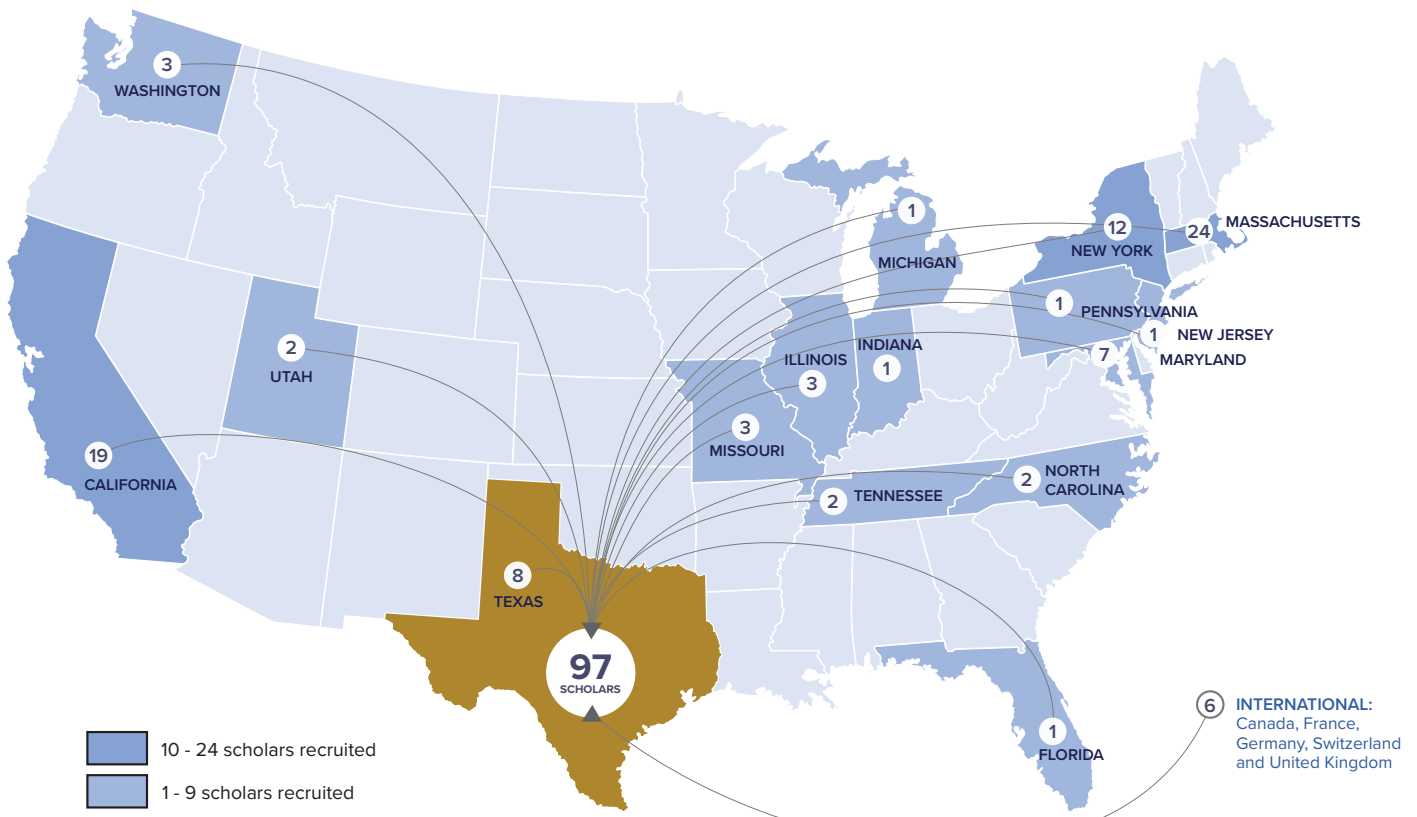

## Prevention Services

CPRIT grants helped deliver 8.6 million prevention services to Texans in all 254 counties

## Scholars Recruited

CPRIT enabled the recruitment of 97 scholars to the Metroplex
